Live, Work & Connect at a Higher Level™

I teach smart professionals how to converse, connect, and collaborate more easily, authentically, and meaningfully.

What's the big deal about that? Pretty much everything.

Numerous studies reveal that friendly, positive, supportive interactions can greatly enhance:

- Team effectiveness & productivity
- Intelligence, collaboration & innovation
- Image & brand
- Customer loyalty
- Event success
- Career advancement
- Happiness & well-being
- Self-esteem & sense of belonging
- Attitude & energy levels
- Opportunity awareness
- Health & longevity

Who doesn't want all that?

I design, develop, and deliver engaging presentations, workshops, panel discussions, and strategic sessions.

I fill these with key learning points, stories, stimulating questions, discussions, strategies, and try-today techniques, making them are ideal for:

- Conferences, Meetings & Retreats
- Leadership & Professional Development Programs

Some of my most popular topics:

- The Intentional Networker™: Strategies for Connecting with Greater Purpose, Polish, Presence & Productivity
- Secrets of Savvy Socializers: How to Attract & Enjoy Meaningful Conversations with Greater Authenticity, Ease & Confidence
- Live, Work & Connect at a Higher Level™: Strategies for Creating the Life, Career & Network That Work for You
- Stories from the Stage: Public Speaking Strategies & Secrets for Emerging Leaders

My award-winning book, *The Intentional Networker: Attracting Powerful Relationships, Referrals & Results in Business*, is a go-to success guide filled with strategies, insights, and practical tips that help readers network better, not just more.

“The quality of your conversations and connections can make a positive and dramatic difference in your career, life, and happiness.”

- Patti DeNucci

Growing up in an entrepreneurial family, I learned that success, respect, and happiness come from integrity, hard work, life-long learning, and giving thoughtful attention to everyday conversations, connections, and relationships. This priceless lesson has made a positive difference in the quality of my life and career. Let's have a conversation and explore how working together could do the same for you, your career, your event, or your organization.

“Patti was the ultimate professional. She had our participants, from emerging leaders to C-level executives, completely engaged. They rated her the highest of all our speakers at the Summit. Patti is five stars.”

- Lisl Dutterer, Exec. Dir., Wnet - Women's Network in Electronic Payments

“I cannot thank Patti enough for joining us at our convention. Our Consultants absolutely loved hearing from her.”

- Shannon Apperson, Mgr., Field Learning & Dev. Programs, Rodan+Fields®

“As our opening keynote speaker, Patti set the tone for the day with her charm and wonderful ideas on how to make the most of the conference.”

- Ginger Kelly, SMPS Pacific Rim Regional Conference Co-Chair

“Working with Patti was a delight...She was truly interested in understanding the purpose for the event and our organization's mission... We appreciated her warmth and sincerity... Participants left inspired and energized.”

-Helen Patterson DeNyse, YPN Chapter Prof. Dev. Chair, YMCA of Illinois

“Patti's presentation at the Silicon Valley Bank Private Equity event was fantastic. She offered useful tools interwoven into some very poignant personal stories.”

-John Lambrech, CFO at W Capital Partners

“Patti's presentation style is energetic and engaging. She uses a variety of teaching methods and skillfully maintained the attention of the participants. They rated her session as Excellent.”

- Loren Ellis, Lakeshore Public Media

“Patti exudes professionalism. Her ability to connect with an audience and make you feel like a friend is truly amazing. She is an absolute joy to work with.”

- Josh Delgado, Chair, SGMP P.I.E. Conference
